► Academic Research & Teaching License:

The **Academic Research and Teaching License** for Athena Visual Studio applies to a **Single Named Professor** and his/her research group. The research group comprises of graduate and undergraduate students and postdoctoral students. Visiting scholars may also be granted authorization to use the software for the time of their visit. This license also allows the **Named Professor** to use Athena Visual Studio **FREE of CHARGE** as part of courses in Chemical Engineering and/or related fields. The **Academic Research and Teaching License** is not transferable. Once it is activated, it will be locked to the target computers.

► Government Research & Development License:

The **Government Research & Development License** for Athena Visual Studio applies to a **Single Named User** and his/her research group. The research group comprises of other employees, graduate and undergraduate students, and postdoctoral students. Visiting scholars may also be granted authorization to use the software for the time of their visit. The **Government Research License** is not transferable. Once it is activated, it will be locked to the target computers.

► Academic Student License:

The **Academic Student License** applies to graduate and undergraduate students attending an Engineering or Science course where the Athena Visual Studio software package is used as part of the instruction process. The **Academic Student License** is offered **FREE of CHARGE** and it requires the Lecturer, Instructor or Professor administering the course to purchase the **Academic Research and Teaching License**. The **Academic Student License** is valid for 365 days.

► Individual Commercial License:

The **Individual Commercial License** for Athena Visual Studio applies to a **Single Named User**. The software can be installed on one or two stand-alone computers (for example: home and work, or laptop and desktop), provided that it is only utilized by the **Named User**. The **Individual Commercial License** is not transferable. Once it is activated, it will be locked to the target computers.

► Corporate Commercial License:

The **Corporate Commercial License** for Athena Visual Studio applies to all users working for the **Named Corporation** that is purchasing the license. The software can be installed on any number of computers or workstations belonging to the **Named Corporation**.

► License Terms and Conditions:

- ❖ Licensee purchases from Licensor [**Athena Visual Software, Inc.**] a nonexclusive license to use the **Athena Visual Studio** software on one or more Personal Computers. Title to **Athena Visual Studio** shall remain with Licensor.
- ❖ For each order, Licensor will transmit to Licensee the **Athena Visual Studio** executable for one listed or multiple users, along with the electronic version of users' manuals, test problems and solutions. Licensor's installation services are limited to the provision of these materials
- ❖ **Athena Visual Studio** is distributed on an "as is" basis, i.e., with no obligation on the part of Licensor to correct errors during future use. However, Licensor will try to provide corrections to errors, which may be found. In addition, software updates may be available from time to time.
- ❖ Licensor shall not be liable for any loss or damage, direct or consequential, arising out of anyone's use of or inability to use **Athena Visual Studio** versions.
- ❖ The **Athena Visual Studio** License is **PERPETUAL** providing the users the right to use the software for an indefinite period of time.
- ❖ **Academic Research & Teaching License** and **Government Research & Development License** users automatically receive **FREE of CHARGE** software upgrades. No annual maintenance fee is required for the Academic Research & Teaching and Government Research & Development License users. Technical support by phone or e-mail is available at the discretion of Athena Visual Software, Inc.
- ❖ For **Individual Commercial License** and **Corporate License** users, software upgrades, as well as technical support by phone or e-mail, are available at an annual maintenance cost of **25%** of the most current license price.
- ❖ All prices for the **Athena Visual Studio** software and upgrades are in US Dollars and are subject to change without any prior notice.
- ❖ The copyrights of **Athena Visual Studio** versions shall remain with Licensor. These program packages or any part thereof must not be copied for others.
- ❖ If results obtained with **Athena Visual Studio** are included in publications or reports, then these publications or reports should include an acknowledgment.
